EFFORTS TO ACHIEVE DIVERSITY BUSINESS ENTERPRISE PARTICIPATION

The Governor, in an effort to expand economic opportunities for small businesses and businesses owned by minorities and women in Tennessee, issued Executive Order Number 14 on December 8, 2003, which created the Governor's Office of Diversity Business Enterprise (Go-DBE). In 2004, to further facilitate the State's efforts to promote greater participation by minority owned, woman owned and small businesses in its procurement and contracting opportunities, the General Assembly passed legislation amending Tennessee Code Annotated 12-3-801 through 808 establishing the "Tennessee Minority Owned, Woman Owned and Small Business Procurement and Contracting Act." July 1, 2010 Public Chapter No. 1140 became effective by amending Title 12, Chapter 3, and Part 8 relative to include service-disabled veteran owned businesses. To coordinate this effort, Go-DBE and the Department of General Services' Central Procurement Office have implemented the following procedure:

The vendor or prime contractor should contact appropriate sources within its geographic area to identify qualified minority owned, woman owned, service-disabled veteran owned and small businesses for this purpose. If needed, the Governor's Office of Diversity Business Enterprise can provide a list of minority owned, woman owned, service-disabled veteran owned and small businesses who provide an array of services or a vendor may advertise in a newspaper with one or more wide-circulation publications to enhance the solicitation of proposals from minority owned, woman owned, service-disabled veteran owned and small businesses.

To assist you in your effort to seek and solicit the participation of minority owned, women owned, service-disabled veteran owned or small businesses on this solicitation, a directory of certified Diversity Business Enterprise firms may be found on the State's website at: <http://www.tn.gov/businessopp/regdivcomp.html> ; or by calling the Governor's Office of Diversity Business Enterprise toll free at 866-894-5026. If you are currently utilizing a minority owned, women owned, service-disabled veteran owned or small business that is not listed in the State's directory, please provide its company name, address and telephone number in the space provided. We will assist them in registering with the Governor's Office of Diversity Business Enterprise.

Please complete the attached form and include all pertinent documentation regarding your company's efforts to achieve diversity business participation. This information must be submitted with the bid document and monthly thereafter until a reasonable level of diversity business participation is achieved.
